The Borough of Totowa Public Library Foundation

Established in 2011, the Foundation was created to protect, enhance and advocate on behalf of the Borough of Totowa Public Library. The Foundation is a nonprofit 501(C)(3) organization that explores ways to raise funds for programs and improvements to the facility. Please consider making a tax-deductible gift to the Borough of Totowa Public Library Foundation. Your donation will ensure that the library will continue to make a difference in our community, while helping to improve its capacity to serve the residents of Totowa. The Foundation hosts various events and fundraisers including an Italian Family Style Dinner held annually in January. We hope to see you there!

The Friends of the Totowa Library

The Friends of the Totowa Library is a nonprofit organization that supports the library with services, equipment and other materials not provided through tax dollars. The Friends enable us to continue to provide educational programs for children and adults. Some of these programs include book sales, bake sales, trips, and much more! Please consider joining our Friends group. Applications are available in the lobbies. Annual membership dues are \$5.00 for a Single membership.
