## BOOK BINGO GUIDELINES

**Winter/Spring Session: February 1st – April 1st**

### **Directions:**

- Each space on the board describes a type of book to read.
- Each time a child reads a book that fulfills a space, they may come into the children's room with the book and bingo card to get that space stamped.
- You may get more than one stamp per library visit although you cannot use the same book to complete more than one space.
- Once a child gets 5 stamps in a row, they will complete a BINGO. (5 in a row meaning horizontal, vertical, or diagonal.)

### **Prizes:**

- After a child completes a BINGO (5 stamps in a row), they can choose a prize from the prize box. (Limit of 5 BINGOs)
- If a child completes the full board with all 25 spaces stamped, they will receive a mystery gift card as well as an entry for a grand prize which will be drawn in April.

**PLEASE NOTE:** Children are only allowed to choose one level of book bingo to participate in.
