BOOK BINGO GUIDELINES

Winter/Spring Session: February 1st – April 1st

Directions:

- Each space on the board describes a type of book to read.
- Each time a child reads a book that fulfills a space, they may come into the children's room with the book and bingo card to get that space stamped.
- You may get more than one stamp per library visit although you cannot use the same book to complete more than one space.
- Once a child gets 5 stamps in a row, they will complete a BINGO. (5 in a row meaning horizontal, vertical, or diagonal.)

Prizes:

- After a child completes a BINGO (5 stamps in a row), they can choose a prize from the prize box. (Limit of 5 BINGOs)
- If a child completes the full board with all 25 spaces stamped, they will receive a mystery gift card as well as an entry for a grand prize which will be drawn in April.

We understand that reading skills vary with each child. Please feel free to participate in whichever Bingo Card suits your child's reading level - "BINGO Junior"-Suggested Level: Grade 2 & Under or "BINGO"-Suggested Level Grades 3 & Up

PLEASE NOTE: Children are only allowed to choose one level of book bingo to participate in.
